

Loyola College (Autonomous), Chennai

Department of B.Com (Accounting & Finance)

Lecture on RPA

On the 15th of December 2021, a guest lecture on “Robotic process automation” was organized by the department for the 1st and 2nd year students of B.COM Accounting and Finance in the MCA hall at 9.30 am. The event began with a welcome address and chief guest introduction

The chief guest of the session was Mr. D Arul Prem Raj (Santal informatics Pvt Ltd) who established the overall theme of the session with his brief intro about the topic “Robotic process automation”. The resource person was given a crystal clear explanation about the topics like the merits and demerits of RPA, how it’s going to affect futures, useful insight on job opportunities for the field, its applications and useful tools.

The session was concluded by providing the students a practical example of RPA by using a tool called UI path which fully automated the process of filling in a Google form application, all the students were enjoyed with the spirit of learning.
