

GUEST LECTURE BY MS.MANCY MATHEW ON 2D ANIMATION AND RIGGING

Ms.Mancy Mathew, 2D artist with more than ten years of experience in the industry associated now with SHIKSHA, conducted a Guest Lecture on 2D Animation and Rigging for B.Voc third year students of 3D Animation on 29th September 2018, at the VISCOM Lab, Loyola College. This helped the students immensely, for fine tuning their skills.

Students understanding the concept of Rigging for 2D animation
