

## WORKSHOP ON STORY TELLING

Ms. Mubeen Irshad a story telling artist who runs Story Carpet, a story telling institute, conducted a story telling workshop for students of I and II B.Voc 3D Animation on 15<sup>th</sup> February 2019. Her innovative and collaborative approach was a hit among the students.

She made students to act out certain dialogues, which helped students understand the aspects of narration using expression apart from various activities which kept them engaged. Her approach that stories could be found anywhere was a great learning experience for the students.
