EVENT #1

THE RECKONING (BUSINESS PLAN)

SYNOPSIS

THE RECKONING is an exciting mix of a usual Shark Tank and Investment evaluation. It is designed to encourage aspiring young entrepreneurs from different Institutes/Colleges/Universities to develop a business concept, to experience the hard work required to do research plan and launch a business, and thus develop their entrepreneurial skills. It delves even deeper and provides an opportunity to the entrepreneurs to learn to judge other pitches, evaluate investments and practically experience portfolio analysis

GENERAL RULES

- 1** Teams of 2. Prelims followed by Finals
- 2** First round would be an elevator pitch by the teams explaining their business plans while second round would be an investment evaluation and portfolio analysis by each team on all the pitches that have qualified to the finals
- 3** Teams will be judged on the feasibility, research, profitability of the ventures presented by them as well as the investment decisions negotiation skills and overall uniqueness they bring to the table.

EVENT HEADS

RAHUL PRAKASH (9962718536)
LEHAN D JAIN (9789527232)

EVENT #2

MARSHGAMMON (POTPOURRI)

SYNOPSIS

Veni Vidi Vici presents to you MARSHGAMMON - a Potpourri event filled with word games and puzzles but with a twist of its own. Potpourri refers to an assortment or mixture of events that are conducted together. It is often regarded in the festing and competition circuit as the informal bunch of fun events that test a team's quick thinking, coordination and decision-making skills. Get ready to boggle your brains, loosen up a little and have loads of fun :)

GENERAL RULES

- 1 The participating team should consist of 4 members**
- 2 3 rounds will be held. Rules and details of each round will be announced at the venue**
- 3 The event will challenge the team's spontaneity, coordination and adaptability**

EVENT HEADS

**HANSON (9360055351)
SANJAY K (7200132650)**

EVENT #3

HOUSE OF CARDS

(INTERNATIONAL DIPLOMACY)

SYNOPSIS

Are you interested in MUN? Or perhaps your interests lie in Public Policy? We have the perfect concoction of both. This event is a mix of International Relations & Public Policy that will test the students ability to grasp the problems that's given to them into an opportunity, with which they can create a new block or group of nations. A number of major & minor regional issues will be discussed here, so that everyone can know its effect on a country or a region. Step into the shoes of power here and change the world into a better place, at least for 1 day

GENERAL RULES

- 1 Individual Event. Prelims followed Semi-Finals and then the Grand Finals**
- 2 First round would involve a statement being presented by the student on a given issue, second round would involve presentation of a solution and cross-questioning on the solutions being presented and finals would require the students to come up with on-the-spot fixes for the various issues thrown at them by the Judges**
- 3 Students will be judged based on their diplomacy, critical thinking as well as the uniqueness, feasibility and benefits of their solutions.**
