(AUTONOMOUS)  
CHENNAI - 600 034**

# **CANCER AWARENESS & EXHIBITION**

The Cancer Institute (WIA) has launched the Cancer Awareness Bus as part of its outreach program to educate the public, particularly students, on cancer and create awareness among them.

The audio-video exhibition display comprises valuable information for dispelling myths about cancer, its incidence and burden, common causes of cancer, methods of cancer screening, prevention, diagnosis and treatment, messages from survivors who were completely cured and the history of the Institute rendering yeoman service for more than 67 years.
