Synopsis of the Programme

Highlights	<p>The Chennai Jesuit Province commemorates the Year of Youth 2023 and the IQAC, Loyola College also joins hands to recognize the potential of Youth as partners in today’s global society through this Springboard Leadership programme. In tune with the 2023 skills required, the programme highlighted the need of youth and their leadership skills for sustainable and inclusive development while empowering them to be Blockbuster leaders.</p>
Summary	<p>The session started with a small activity to make them understand the importance of the PURPOSE in everything they do. The students actively got involved, and students displayed a great motivation to participate and accomplish this activity.</p> <p>The trainer highlighted the fact that good-to-great leaders never wanted to become larger-than-life heroes. They never aspired to be put on a pedestal or become unreachable icons. They were seemingly ordinary people quietly producing extraordinary results.</p> <p>The trainer then stressed on the 4 important qualities of a leader.</p>

	<p>1. PURPOSE 2. PEOPLE 3. PRIORITY 4. PROMISE</p> <p>A lot of examples and real life incidents were included to make the session credible and interactive. Towards the end, the students were challenged with the call for action and how they could transfer the spotlight to others as leaders. The session ended with loads of Q & A. The programme made the student understand that leadership is a learnable and practicable skill.</p>
