IQAC

IQAC

- **Task of IQAC is to channelize all efforts and measures of the institution towards promoting its holistic academic excellence.**

What is Quality Circle?

“A Quality Circle is a volunteer group composed of students who contribute towards Institutional effectiveness through group processes”.

Objectives

1. To contribute towards the improvement and development of the institution or a department.
2. To develop a positive attitude and feel a sense of involvement in the decision making processes of the services offered and to improve the quality more and more.
3. To display human capabilities totally and in a long run to draw out the infinite possibilities.

QUALITY CIRCLE

- **Formation of quality circle is becoming imperative in today's academic world where the stake holders' expectations keep changing and it becomes tougher day by day to get to the level of those great expectations.**
- **Quality circles ensure that they work on a regular basis in the day to day challenges faced by the institutions in administration, academic and research areas , thus ensuring a better process & greater and relevant outcomes.**

Elements of quality circle

- **A steering committee**
- **Coordinator**
- **Circle leader**
- **Circle members**
