

## **Kerala Flood Relief**

led by

Rev. Dr. Louie Albert S.J.,  
Director, Department of Service  
Learning, Loyola College,  
Chennai – 600 034.

### **Day 2 Report**

Students were engaged in manual work such as cleaning the road and preparing a path for mobility.

Students were divided into several groups and work was distributed to all the groups. That task was completed successfully in which students gave out their best. Later in the evening Mr. Purnachandar HR manager and alumni of Loyola addressed the students and shared his experience of working as social worker in different fields.

The evaluation was best part during which students reflected on their learning and experience. They shared it was their first experience working with victims of disaster and the grassroots level of directly working with the people brought them more satisfaction. Later the next day schedule was planned. This ends the day.
