### Rural work exposure camp for the second year post graduate students

The Department of Service Learning (Outreach) organised the rural work exposure camp to all

the second year post graduate students. The rural camp was conducted from 22<sup>nd</sup> August to 2<sup>nd</sup> September, 2016 in Gurunjipadi, Panruti taluk, Cuddalore district. Around five hundred students attended the camp. The camp was for a total of five days. It started with the students' onward journey to the campsite and inauguration, after which an ice-breaking session took place. After dinner, the students

were

grouped into five teams, namely: Documentation Team, Food Committee, Cultural Team, Cleaning Team, Prayer and Recreational Team, and Time Management Team. The morning session started with prayer. Students physically worked for four days such as : cleaning up the village, laying mud road, deepening the irrigational channels and whitewashing school compound walls. After lunch,

the students under took village visits for three days.

They interacted with the people to know about their livelihood and to learn about their social and economic conditions. On the fourth day, the students prepared an awareness programme for the people prevailing to social issues. The students also had a feedback session on the fifth day, which was followed by the valedictory. Finally the students started their journey back to college.
