The session began a silent prayer. Dr. J. Madhavan the Head of the Department welcomed the participants and introduced the speaker Rev. Dr. Kirubakaran and handed over the session to Rev. Father. Rev. Father started the session with a little bit of ice breaking. Then, he talked about the importance of building connections and how it can help young people succeed. He said that connections can open up new opportunities, provide support, and help you learn and grow. He also talked about the importance of motivation and ethics. He said that motivation is essential for achieving your goals, and that ethics are important for building trust and credibility. Finally, he talked about how young people can plan for their future. He said that it is important to set goals, make a plan, and take action.

Discussion:

There was a lively discussion following the talk. Students asked questions about how to build connections, how to stay motivated, and how to make a plan for their future. Rev. Dr. Kirubakaran answered the questions thoughtfully and gave the students some helpful advice.

Closing:

The session ended with a thank you from the HOD. He thanked Rev. Dr. Kirubakaran for his talk and the students for their participation.

Overall, the session was well-received by the students. They found Rev. Dr. Kirubakaran's insights to be helpful and inspiring. They also appreciated the opportunity to ask questions and get advice.
