The seminar was inaugurated by Rev. Fr Principal. It began with prayer song at 2.30 pm and the entire programme was facilitated by our visually challenged students.

The first session was on Employment Opportunities for visually challenged in Banking sectors. Mr. G. Alagiaperumal B.E., Assistant Manager, Indian Bank, addressed the students about the employment opportunities and briefed the students on how to take up Bank exams. He also elaborated the challenges faced and the success achieved by him. This session went on for an hour.

The second session on Employment opportunities for visually challenged in private sectors was handled by Mr. Ajeesh Thomas who is working as SM Change Manager in IBM INDIA, Chennai. He started the session by sharing his own experience and explained the different categories of jobs in private sectors for visually challenged. The programme concluded with refreshments by 6.00 pm.
