March 26, 2020

Dear beloved students,

Loyola greets every one of you!

I trust and hope you have a safe healthy stay together with your parents at home.

You are aware of the unprecedented situation arising out of the Coronavirus pandemic.

Please stay home, and support the Govt.'s efforts to defeat the contagion.

The nation-wide 21-day lock-down announced by the honourable Prime Minister ends on 14 April 2020.

We fervently hope that the Govt's efforts are successful, with the return of normal life and restoration of transportation on 15 April 2020. Please keep watching national news in this regard.

If everything becomes fine, the College will announce the date of reopening on 15 April 2020.

There will be the CIA Test 2, followed by Semester Examinations.

Please use these days to pick up an online course and equip yourself. I will also encourage you to be touch with your teachers to gain more clarity on subjects which you find it difficult.

Keep checking the College website for further update.

With Regards & Prayer

Thomas
