6. Centres For Excellence
CENTRE FOR ENVIRONMENTAL STUDIES (CES)

CES has been actively involved in campaigns against burning of tyres. It is also experimenting on the techniques of saving rain water through rainwater harvesting and effective management of wastewater through recycling. Since the “Environmental Studies” is a compulsory paper to the under-graduate students, an environmental laboratory is established at the LIFE building. They are given group projects which are evaluated as part of the continuous assessment.

Rev. Dr. G. Joseph Antony Samy, S.J.          Principal & Chairman
Prof. G. Ramamurthy                        Deputy Principal
Dr. R. Ravindran                           Director
Dr. S. Vincent                             Member
Dr. D. Louis Joseph Chandra                 Member
Prof. Milton Ravichandran                   Member
