ABOUT THE ORGANISING INSTITUTE - LOYOLA COLLEGE

Loyola College, Chennai, established in 1925 is a Jesuit institution. UGC has elevated Loyola College to the most coveted status of “College of Excellence” for the period of 2014- 2019. In 2017, Loyola has been secured 2nd Rank under NIRF, Ministry of Human Resource and Development, Government of India. Obtaining wisdom, knowledge and attaining enlightenment are the fundamental tenets of the education imparted in this college, which challenges the students to live up to the college motto: “LET YOUR LIGHT SHINE” by their learning and good example.

PG & RESEARCH DEPARTMENT OF ADVANCED ZOOLOGY & BIOTECHNOLOGY

The Department of Natural Science was started in the year 1948. A full-fledged Department of Zoology was started in 1957 offering B.Sc. Zoology. It is highly notable that Dr T. N. Ananthakrishnan, an Eminent Zoologist, was one of the lecturers in Loyola. He also served as Head of Department of Zoology until 1968. In the academic year 2005-2006 the University of Madras granted a liaison for B.Sc. Advanced Zoology and Biotechnology. The Department is enriched with specialized facilities.

LOYOLA INSTITUTE OF FRONTIER ENERGY (LIFE)

LIFE is an Interdisciplinary and Collaborative Research Institute in Loyola College, Chennai. The thrust areas are Energy, Environment, Bioethics, Material Science, Awareness Education to Students and the Masses.

THEME OF SEMINAR

Cell phones emit EMF radiation in the microwave range. Studies have shown potential impacts on animals and humans. A 2011 study by MoEF found that mobile tower radiation affects birds. Scientists have reported negative effects on brain activity, reaction times, and sleep patterns from using mobile phones. There's a possibility that mobile phone radiation could be linked to cancer, indicating a need for more research on long-term, heavy use. To raise awareness and establish precautions, Loyola College PG & Research Department of Advanced Zoology & LIFE is hosting a National Seminar on "Anti-Radiation Awareness and Protection" on August 30th, 2023.

PROGRAMME SCHEDULE

Chief Guest

Dr. Issac Livingston

M. D., Sathiyam TV

Guest of Honor

Dr. D. Sudarsanam

Former Head, Dept. of Adv. Zoology and Biotech.

9:00 Am - 10:30 Am - Poster Presentation

Inauguration - 11 Am

Lighting the lamp & Honoring the Chief Guest

Dr. M. Selvanayagam

Director, LIFE

Welcome address : Dr. M.C. John Milton

HOD, Department of Advanced Zoology and Biotechnology

Introducing the Guest Speakers & Thematics of the Seminar

Dr. V. Pushpa Rani

REGISTRATION

Participation	Registration (last date)	Spot Registration
Faculty	₹200	₹250
Research Scholars, UG and PG Students	₹100	₹150
Poster Presentation (Inclusive of Participation)	₹200	₹200

Patrons

Rev. Dr. Antony Robinson, SJ

Rector, Loyola College

Rev. Dr. B. Jeyaraj, S.J

Secretary, Loyola College, Chennai

Rev. Dr. A. Louis Arockiaraj SJ.

Principal, Loyola College, Chennai

Chairpersons

Dr. M. Selvanayagam

Director, LIFE, Loyola College, Chennai

Dr. M.C. John Milton
