

Loyola College (Autonomous), Chennai

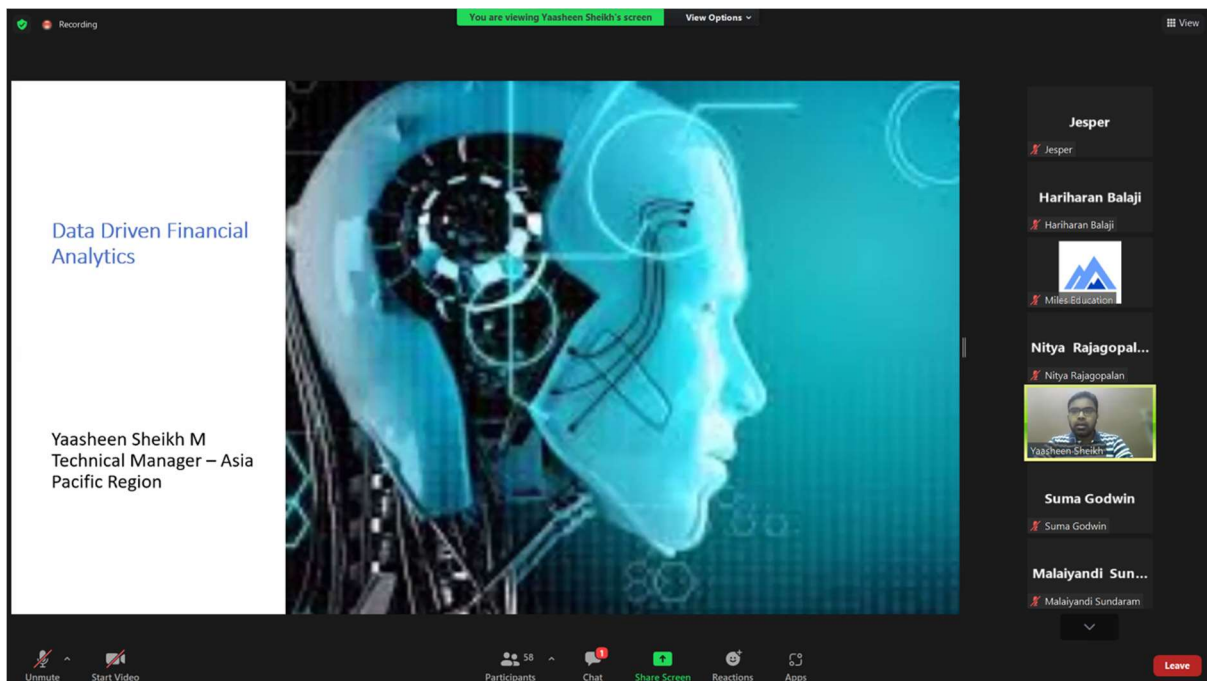

Department of B.Com (Accounting & Finance)

Industry Connect Webinar Session (FINTECH)

On the 13th of December 2021, the Miles Education team together with the department of B.Com (A&F) organized a webinar for the 1st and 2nd year students of B.COM Accounting and Finance. The event was successfully conducted using the platform zoom from 6.00- 7.30 p.m. The plenary began with a short and brisk welcome address and chief guest introduction

The chief guest of the session was Mr. Yaasheen Sheik who was able to firmly establish the overall theme of the session with his brief intro about the topic "Data driven financial analytics". The topics were discussed in the session was evolution of intelligent machines, customer segmentation, evolution of sensors and all other aspects which aided in the development of financial analytics.

The session was conducted successfully with a small Q&A session and a vote of thanks.
