

Loyola College (Autonomous), Chennai

Department of B.Com (Accounting & Finance)

Soft Skills Training

On the 4th, 5th and 6th of January 2022, the department of B.Com (Accounting & Finance) organized a soft skill training program for the 2nd year students of B.COM accounting and finance (2020 Batch). The event was successfully conducted through G-meet platform. The plenary began with a welcome and chief guest introduction.

The chief guest of the sessions was Mr. Arup Kumar who over the course of three days was able to establish the fundamentals of tackling interviews and resume building. It was an engaging and interactive session.

On day 1, Mr. Arup requested the students for a brief introduction of the students along with their interests. This was done to help the students to understand how to tackle frequent and common interview questions regarding describing oneself.

On day 2, Mr. Arup gave proper emphasis on presentation of oneself for a formal Job interview and shared his real life experiences with other interviewees. Based on those observations Mr. Arup was able to give the helpful do's and don't's of an interview.

On day 3, Mr. Arup firmly established how important and intricate resume building was for future prospects and gave insightful tips on the concerned topic.

The session was conducted successfully with the guest concluding the topic by sharing the resume samples with the students. Overall, this lecture was an eye-opening experience which achieved the equilibrium between fun and practical learning.
