National Webinar on “Impact of Artificial Intelligence on the Future of Finance”

The department of B.Com (Honours) organised a national webinar on 12th March, 2021 from 11.00 am to 12.00 pm. A current topic was selected for the webinar, namely **“Impact of Artificial Intelligence on the Future of Finance”**. Dr CA.Abhishek Murali and CA Divya Abhikshek who were highly qualified in the field of finance were the resource persons for the virtual meet.

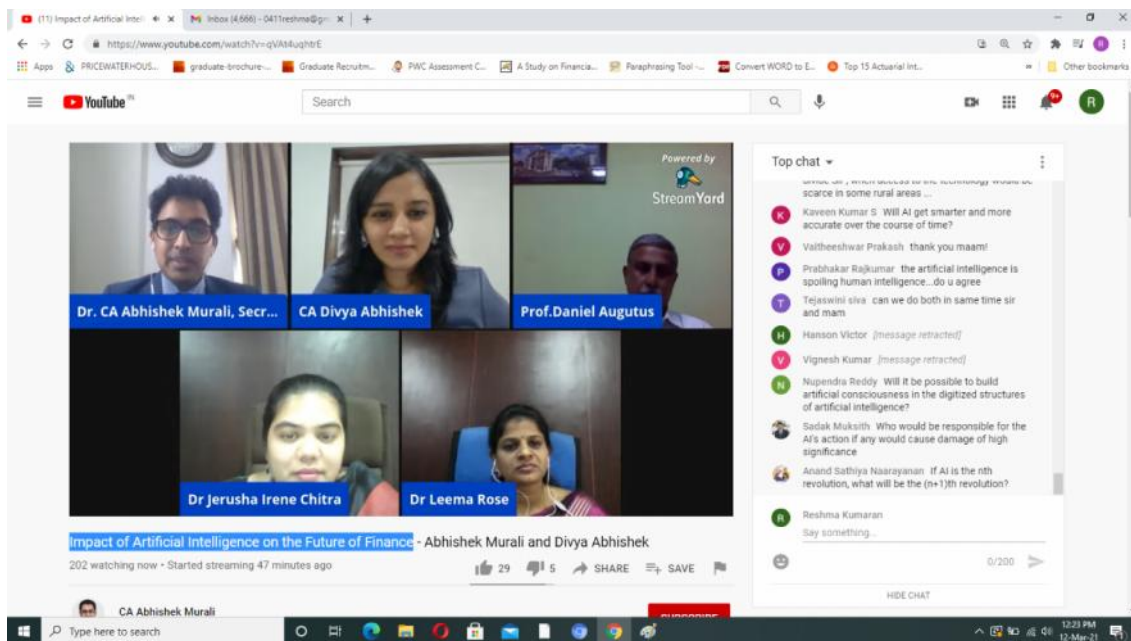

The invite for the webinar along with the registration link were circulated to various colleges and professionals prior to the meet. There were 470 participants who registered for the webinar. The webinar was live streamed in YouTube for all the participants. There were 490 participants from various institutions all over India who watched the live webinar.

The webinar commenced with an opening prayer song. Dr R.Leema Rose, convenor of the meet was the master of the ceremony. Mr. DanielAugustus, Director-LIAC welcomed the gathering. Prof.Reena and Prof.Minothi introduced both the guest speakers.

Dr CA Abhishek spoke about the changing evolution of the finance industry and how technology is playing a big part in today's world. CA Divya discussed the various ways in which Artificial Intelligence can be used in Finance and its impact on the finance industry. Their practical examples made the session engaging for the participants.

The session was followed by an interactive session where the participants raised their questions. Dr Jerusha Irene Chitra was the moderator for the interactive session. Students from Loyola College and other participants raised various queries related to the topic.

The feedback link for the webinar was posted towards the end of the session. All the participants were issued an e-certificate for their participation. Dr R. Leema Rose concluded the session by proposing the vote of thanks.
