support top-quality research publications, and patent filings. Put together faculty/student teams to respond to Challenge Prize Competitions sponsored by organizations. Identify research funding opportunities and support successful technical proposals.

III. Internship Program

Provide internship programs for students at Loyola.

IV. Expectations from Loyola Faculty

Loyola will identify key persons of contact (both students and faculty)

Loyola Alumni engagement in the Teaching effort

For research effort, share with us short summaries of their research interests and 1-page resume

We request Alumni in the Education Field, Businessmen, Motivational Speakers and Education Consultants to register in this initiative. This is the best way to give back to our Alma Mater.

Thank you for your time and attention.

Best Regards
