Dear Officials, Staff (Teaching and Non-Teaching), Administrators, Students,

On behalf of the Jesuit Community in Loyola Campus, I wish you all a joyful and grace-filled feast of St Ignatius of Loyola.

St Ignatius of Loyola believed that education is the key to empower, enlighten, and elevate people, especially those at the margin of the society. All his first companions were post-graduates from the University of Paris and today the Jesuits are offering value-based education through 200+ universities and colleges in over 110 countries in the world. Loyola Campus is one such sacred place of learning to form our students as leaders with critical thinking and for social commitment.

The staff members (both teaching and non-teaching) in Loyola Campus are the companions of the Jesuits in this sacred journey of imparting education to the students and our students are our future hope for a better world. The Jesuit Community thanks each and every one of you for working with the Jesuits and for choosing Loyola Institutions for your holistic formation. We wish you all the best.

St Ignatius in his prayer for generosity prays:

Lord Jesus, teach me to be generous;  
teach me to serve you as you deserve,  
to give and not to count the cost,  
to fight and not to heed the wounds,  
to toil and not to seek for rest,  
to labor and not to seek reward,  
except that of knowing that I do your will.

Let us make this our own prayer as we celebrate this great Saint's feast on July 31<sup>st</sup>. May the saint continue to inspire us with his spirit of 'magis' – to do every more and ever better.

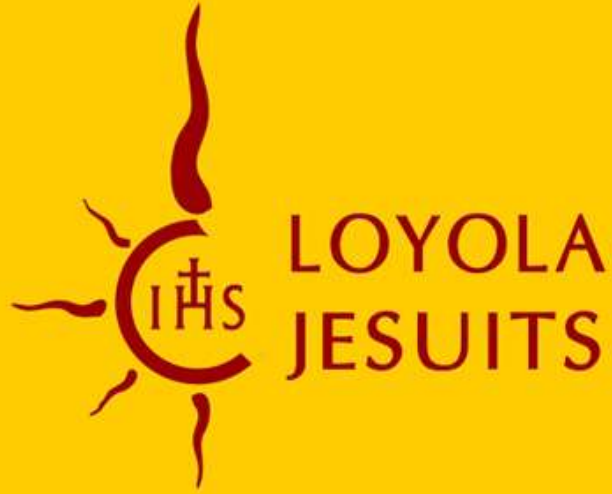

Happy feast of St Ignatius. Thank you for being with us, Jesuits. You are our joy and happiness and hope for a better tomorrow.
