

TOOLS FOR SOCIAL WORK

A Hybrid Certificate Course for Social Work Students

Social work demands dynamic skills. This hybrid course equips first-year students with practical tools for community-based practice, blending classroom learning with field application.

Key Modules

- ✓ **Communication & Interpersonal Skills**
(Active listening, constructive dialogue)
- ✓ **Core Social Work Tools**
(AI documentation, case studies, PLA)
- ✓ **Admin & Management**
(Proposal writing, project planning, social audit)
- ✓ **Community Practice**
(Engagement, mobilization and social cohesion)
