

**LOYOLA RESEARCH PARK 2025 (LRP 2025)**  
**LOYOLA COLLEGE (AUTONOMOUS), CHENNAI - 600 034.**

**LIST OF SELECTED PROJECTS**

| S. No.  | NAME OF THE PI              | PROGRAMME           | PROJECT TITLE  |
|---|-----------------------------|---------------------|--|
| <b>COMMERCE, ECONOMICS &amp; MANAGEMENT</b>     |                             |                     |  |
| 1.  | Dr. J. Arul Suresh          | M.Com.              | Educational Empowerment .....among Girls in Tamil Nadu                     |
| 2.  | Dr. M. Salathiyan           | M.Com.              | Inclusive Growth Promotion ..... of the NEEDS Scheme                       |
| 3.  | Dr. Princy J.               | B.Com.              | A Study on the Entrepreneurial ..... women street vendors in Guindy        |
| 4.  | Dr. Samuel J.               | B.Com. (AF)         | The Impact of Artificial Intelligence ..... Accounting Firms               |
| 5.  | Dr. Vinmalar J.             | B.Com. (CS)         | Exploring the Effectiveness of the Naan Mudhalvan....in Tamil Nadu         |
| 6.  | Dr. R. Leema Rose           | B.Com. (Hons.)      | Chalkboards to Chatbots : .... Colleges in Chennai                         |
| 7.  | Dr. Jerusha Irene Chitra D. | B.Com. (Hons.)      | Cinderella Marketing in Health Campaigns : ..... Stigma Reduction          |
| 8.  | Dr. Maria Selvi             | B.Com. (CA)         | Empowering Persons with Disabilities ..... Startup Ecosystem               |
| 9.  | Dr. Elango J. Parimalam     | M.A. Economics      | An Analytical Study ..... Ennore Oil Spill on Coastal Livelihoods          |
| 10.   | Dr. R. Uma Maheswari        | M.A. Economics      | Direct Benefit Transfers : .....Tamil Pudhalvan scheme in Chennai          |
| 11.   | Ms. Chithra Regis           | B.A. Economics      | The Gig Economy in Chennai: Economic ..... Trap of Precarity?              |
| <b>COMPUTATIONAL &amp; STATISTICAL SCIENCES</b> |                             |                     |  |
| 12.   | Dr. A. Manimuthu            | M.Sc. Data Science  | A Deep Learning based artificial Intelligence ..... from music             |
| 13.   | Dr. M. Edison               | BCA                 | SafeCam+: Surveillance .....Women's Safety                                 |
| 14.   | Dr. E. Gangadevi            | B.Sc. Comp. Science | Bone Conduction Earring ..... with Dignity                                 |
| 15.   | Dr. I. Justin Sophia        | M.Sc. Comp. Science | Smart Air Pollution predictor with real time .....using IOT and ML         |
| 16.   | Ms. A. Maria Vinitha        | M.Sc. Comp. Science | Predicting the risk factors of Infertility ... Machine Learning Techniques |
| 17.   | Dr. S. Venkatalakshmi       | M.Sc. Comp. Science | Explainable Polycystic Ovary .....SHAP Interpretations                     |
| 18.   | Dr. Kanageswari             | M.Sc. Comp. Science | AI Driven deepfake detection .... online platforms                         |
| 19.   | Dr. V. Sumathy              | B.Sc. Statistics    | Data - Driven Personalised Learning ... system in Higher Education         |
| 20.   | Dr. S. Xavier               | M.Sc. Statistics    | Next - Gen Risk Stratification : Age - Specific .... Outcomes              |

|            |                      |                   |   |
|------------|----------------------|-------------------|---|
| <b>21.</b> | Dr. S. Amala Revathy | M.Sc. Statistics  | Identifying the Determinants of .... Single - Parent Households       |
| <b>22.</b> | Dr. M. Arockiaraj    | B.Sc. Mathematics | QSPR Analysis of Antidiabetic Drug Structure .... Learning Techniques |
| <b>23.</b> | Mr. Emmanuel F. R.   | B.Sc. Mathematics | Examining Psychological & Socio.....Sciences in Chennai Colleges      |

### **MEDIA, SOCIAL SCIENCES & HUMANITIES**

|            |                                   |                    |   |
|------------|-----------------------------------|--------------------|---|
| <b>24.</b> | Ms. Ambili S.                     | Digital Journalism | Understanding the Social Media .....Campus Chennai                      |
| <b>25.</b> | Dr. A. Louie Albert SJ            | B.A. Sociology     | Behind the Wheels : A Sociological .... Chennai - Madurai Route         |
| <b>26.</b> | Dr. R. Dhiyanesh                  | M.A. Sociology     | Understanding Cultural ..... of Loyola Classrooms                       |
| <b>27.</b> | Dr. A. Louis Arockiaraj SJ        | MSW                | A Study on the socio-economic.....in Vyasarpadi                         |
| <b>28.</b> | Dr. M. S. Joseph Antony Jacob SJ  | MSW                | A Study on the impact.....Kachin State, Myanmar                         |
| <b>29.</b> | Dr. J. M. Arul Kamaraj            | MSW                | Occupational Challenges, Economic Vulnerability... sector in Chennai    |
| <b>30.</b> | Mr. Martin Mahimaidoss J.         | MSW                | The Untold Cost of Caring : A study .....Professionals in Chennai       |
| <b>31.</b> | Dr. M. Muthu Raman                | M.A. History       | Between Tradition and Identity : Exploring ....in Transgender Belonging |
| <b>32.</b> | Dr. A. Arputha Selvi              | B.A. History       | Women in Corporate Leadership.....Technology Industries of Chennai      |
| <b>33.</b> | Ms. A. Karoliya Jansirani         | B.A. History       | Ideological Politics : .... the Quality of Democracy                    |
| <b>34.</b> | Ms. Sharmila Rani A.              | B.A. English       | Mapping the Representation of Dalit Literature ..... Qualitative Study  |
| <b>35.</b> | Dr. Arockia Anto Anita S.         | B.A. English       | Unveiling the Lived Realities.....Dattani's Seven Steps around the Fire |
| <b>36.</b> | Ms. Mithiya K. John               | B.A. French        | Application of Linguistics in Criminology                               |
| <b>37.</b> | Dr. M. Jeyapragash Rathina Thiagu | B.A. Tamil         | Inraiya Sutruchoozhal Pirachchinaigal - .....Tharavugal- Mathippeedugal |
| <b>38.</b> | Dr. Revathy Robert                | B.A. Tamil         | A Quantitative Study on the ... Transgender Community in Chennai        |
| <b>39.</b> | Dr. R. Prabha                     | B.A. Tamil         | FAMCO - ....Thrift and Credit Society                                   |

### **PHYSICAL & CHEMICAL SCIENCES**

|            |                         |               |  |
|------------|-------------------------|---------------|--|
| <b>40.</b> | Dr. J. Merline Shyla    | M.Sc. Physics | Gold - Plasmonized ..... for humidity detection                                |
| <b>41.</b> | Dr. J. Mary Linet       | M.Sc. Physics | Electrochemical Performance of WO <sub>3</sub> /...Supercapacitor Applications |
| <b>42.</b> | Dr. J. Arul Martin Mani | M.Sc. Physics | Synthesis of Bimetallic Tungstate ....Supercapacitor Applications              |
| <b>43.</b> | Dr. M. Dinesh Raja      | M.Sc. Physics | LDH@MOF Core-Shell.... in Environmental Systems                                |

|            |                               |                      |  |
|------------|-------------------------------|----------------------|--|
| <b>44.</b> | Dr. P. Naveen Kumar           | M.Sc. Physics        | TiO <sub>2</sub> Based Nanocomposites ....Dye Degradation                                      |
| <b>45.</b> | Dr. S. Arulmozhi              | B.Sc. Physics        | Biomass-Derived CQDs Coupled ..... Degradation of Plastic Waste                                |
| <b>46.</b> | Dr. S. Cynthia                | B.Sc. Physics        | A Parabolic SDR - Based Radio Telescope ..... Neural networks                                  |
| <b>47.</b> | Dr. A. John Maria Xavier      | M.Sc. Chemistry      | Design and Synthesis of Multilayered ....Supercapacitor Electrodes                             |
| <b>48.</b> | Dr. S. Anuja                  | M.Sc. Chemistry      | A Study on Enhanced ...MOF/ Piper Betel derived CQD Composites                                 |
| <b>49.</b> | Dr. Sweetlin Rajula Rubavathi | M.Sc. Chemistry      | Design of Eco-Friendly TiO <sub>2</sub> -RGO-Chitosan ..... Urban Sustainability in Tamil Nadu |
| <b>50.</b> | Dr. K. Leo Lawrence           | B.Sc. Chemistry      | Sustainable Food Packing, Antibacterial ..... Zinc (II) Complexes                              |
| <b>51.</b> | Dr. D. Santhanaraj            | B.Sc. Chemistry      | Bimetallic Au-Pd Single-Atom Catalysts .... from Formic Acid                                   |
| <b>52.</b> | Dr. T. Adinaveen              | B.Sc. Chemistry      | Wax Cycle : A Low-Cost Pyrolysis Kit .....into Clean - Burning Fuel                            |
| <b>53.</b> | Dr. Vishwa Rohini M.          | M.Sc. Food Chemistry | Preliminary Phytochemical Screening ....and Preclinical Evaluation                             |
| <b>54.</b> | Dr. Mary Anne Preetha K.      | M.Sc. Food Chemistry | Development of a Functional Yogurt ....with sustainable biopackaging                           |

### LIFE SCIENCES

|            |                                   |                                     |   |
|------------|-----------------------------------|-------------------------------------|---|
| <b>55.</b> | Dr. V. Pushparani                 | B.Sc. Advanced Zoology              | Isolation and Characterization of HDPE ..... SDG 11 & SDG 12                        |
| <b>56.</b> | Dr. Mary Dorothy Anitha Sebastian | M.Sc. Advanced Zoology              | Exploration of the Urban Wildlife Biodiversity .....Metabarcoding of animal species |
| <b>57.</b> | Dr. P. Agastian S. Theoder        | B.Sc. Plant Biology & Biotechnology | Bioprocessing And Industrial Evaluation ..... High Value Bioproducts                |
| <b>58.</b> | Dr. Navinraj T. I.                | M.Sc. Biotechnology                 | Microbial Diversity mapping of Loyola .....soil and water microflora                |

**NOTE:**

- The Start Date and End Date of the Project are 22/08/2025 and 21/02/2026, respectively.

22<sup>nd</sup> Aug, 2025
