ABOUT THE COLLEGE

Loyola College, a Jesuit institution founded in 1925, is dedicated to providing quality higher education. Recognized as a "College of Excellence" by the UGC in 2014 and consistently ranked among India's top 10 colleges by the NIRF, Loyola College is committed to fostering ethical leaders who serve society with justice, truth, and love.

ABOUT THE INSTITUTION

The Entomology Research Institute (ERI), founded in 1963 by Professor T.N. Ananthakrishnan, is dedicated to understanding and addressing complex challenges in life sciences. By conducting in-depth research on insect-plant interactions and promoting eco-friendly technologies, ERI aims to protect biodiversity, sustainable agriculture, and human well-being. Through publications, extension activities, and training programs, the institute empowers individuals to become agents of environmental conservation.
