Department of History, Loyola College (Autonomous) conducted a Valedictory event for the academic year 2021 - 2022 on May 30, 2022. The event started with the 2nd PG and 3rd UG students rendering the prayer song. Following the devotional number, Prof. Karolia Jancy Rani, Association President of Shift - II, delivered the welcome address. With active participation by the department students, an audio-video presentation of the annual report for 2021 - 2022 was created and presented at the event. After the audio-visual presentation, Dr Anuradha, Head of the Department, addressed the gathering wherein she appreciated all those who cheerfully contributed their efforts to the department and wished all the students a bright future. Prof. Ranganathan, Coordinator, Shift - II addressed the gathering.

Students received certificates, medals, and mementoes, for their efforts and contribution to the department throughout the year. Those who are part of the Association were first honoured, followed by students who

worked and contributed voluntarily, which must have encouraged the students to do more in upcoming years. Students from each class shared their experiences throughout this year and what they learned from their responsibilities.
