

Loyola College Society, Chennai.

Creation of Chennai Province

Dear Officials, Administrators, Faculty Members, Staff (Non-teaching, Technical, Supportive), and Students,

Greetings. I am happy to inform you, as per the communication from Fr Provincial today, that Fr General has decided to create the Chennai Province. The process has been initiated to identify the Provincial for the Chennai Province.

Let us continue to work to build up Chennai Province in the service of our fellow human beings, especially empowering the needy and the marginalized, through leadership-forming education.

With kind regards,

Francis P Xavier SJ
