

Report on MBA Admission for 2024 Batch

The MBA Admission for the 2024 batch commenced on August 6, 2024, with a prayer seeking God's blessings. The admission process was held in Room CEG 15 of the PU-LCS office, starting at 9:30 am.

The PU-LCS offers a Twinning Program for six streams of MBA, namely Marketing, Finance, International Business, HRM, General, and Operations & Supply Chain Management. A team of staff members, including Admin staff (Mr. John Peter, Mr. Vino Brit, Ms. Nambikkai Rani, and Mr. Kathiravan), visiting faculty (Mr. Amalanathan and Mr. A. Sagayaraj), and support staff (Mr. Surya Deva and Ms. Abirami), were involved in the admission process.

The admission process was initiated by Rev. Fr. V. Sahayaraj S.J, by interviewing the first candidate and explaining about the rules and regulations of PU-LCS Twinning Program. The process was then continued by the Coordinator, who briefed the candidates about the Affidavit of Compliance with Institutional Rules and asked them to sign it after reading. Candidates then received the fee challan, Enrolment number slip, and ID card. Next, they underwent certificate verification, submitting photocopies of relevant certificates and obtaining a verification seal on their Application Form.

Payment of Admission and Tuition fees followed, with options for online payment, Paytm, or swiping machines. Finally, study materials were issued to the candidates, who left the venue satisfied.

The first phase of the admission process concluded on August 31, 2024, at 5:30 pm, with a thanksgiving prayer, marking the successful admission of 2,692 students to the MBA program. The classes for the new batch of students are scheduled to commence on September 22, 2024.
