Children's Home Visit

We the administrative members, staff and students visited the Little Flower children's home on 20th December 2017 and celebrated Christmas along with the kids. Around 20 visually challenged students cheerfully took part. They entertained the kids with Christmas carols and games. The kids enthusiastically performed a group dance. The students contributed Rs.3,000 as a donation for a day's meal. Dresses and gifts were distributed. The visually challenged students gave a very positive feedback.

We thank Rev. Fr. Principal for the support rendered.

Christmas Carols by visually challenged students

Dance by Kids
