

Christmas Mass

The Christmas Mass was celebrated on 15th of December 2019. Rev Fr Francis P Xavier, Rector and all the co-celebrants guided us into the season of sharing and joy. The mass began with the candle ceremony and the hostel inmates welcomed the priests with our traditional form of dance, Bharathanatyam. Following that, the priests offered reverence to Our Lord Jesus Christ. The sermon was given by Rev Fr Joe Arun. He talked about the value of relationships and the inmates of the hostel had a deep cleansing through his words and it gave them the thought of renewing broken relationships. The provincial of Sisters of Charity of Saint Anne graced the mass with us. Her presence added much meaning to the day. The mass ended with felicitating all the celebrants of the Christmas Mass. After the mass, there was a grand moonlight dinner organised in the hostel. It was a sumptuous dinner. Following that, there was Disc hockey for the hostel inmates.
