

Onam Celebration

On the 1st of September we celebrated the festival of Onam. Whether you're a Malayali or not, the spirit of Onam is universal. On this festival season we gathered together to showcase our gratitude. Ladies adorned in gorgeous traditional sarees performed 'thiruvathirakali' around the lit brass lamp in the middle of the flower carpet. The graceful performances of the dance were both enchanting and elegant. As a feast for the ears, Onappattu was also sung by the talented group of girls. How can Onam be complete without the Sadya! The feast culminated with the sumptuous Sadya including the lip-smacking payasam and also freezing the moments with a lot of selfies and photographs. On a final note, we didn't realize we were making memories, we just knew we were having fun.
